

MEET *the* TEACHER

Welcome to 1st grade

I am so happy to be your child's teacher. We are going to have a fantastic year together, learning and growing as a classroom family. My goal as a teacher is to help students develop their own voice as learners: to light the fire of learning and guide them as they grow their Habits of Scholarship- collaboration, craftsmanship and perseverance. I believe that building a caring, inclusive classroom culture may be one of the most important pieces we do this year.

Heather Borowski

I have the best job in the whole world! This is my 32nd year in education and I adore teaching first grade. Over the past 30 years I've been lucky enough to be a teacher, a librarian, an interim principal and central office administrator. My heart belongs to first graders and I am thrilled to be teaching at the nationally-renowned Atlanta Speech School.
